DISPUTE RESOLUTION CLINIC PRIORITY APPLICATION FORM

The Dispute Resolution Clinic is a two (2) or four (4) credit hour course in which students serve as mediators in a variety of cases in the Lucas County Juvenile and Toledo Municipal Courts. This fieldwork experience provides the students with actual hands-on training in the rapidly expanding field of Alternative Dispute Resolution. Students in the clinic are educated in both theory and practical skills through coursework, classroom discussion, and exposure to practitioners in the field of Alternative Dispute Resolution. The weekly classroom component focuses on listening and communication skills, mediation and negotiation techniques, and the role of the participant in Alternative Dispute Resolution.

Students taking the course for two (2) credits are required to spend four (4) hours per week in court. Students taking the course for four (4) credits are required to spend eight (8) hours per week in court. All students are required to attend one classroom session each week. Students are not required to be certified as legal interns. The clinic is open to all second and third year law students.

NOTE: Students are required to attend a mandatory two-day training session prior to the start of the semester. An announcement of training will be sent to the address provided on this application.
