REQUIREMENTS FOR CERTIFICATE IN ENVIRONMENTAL LAW

- A. A student must have a 3.0 cumulative grade point average in all Environmental Law Core and Related Courses completed, except that a course graded only on a pass/fail basis shall not be included in the grade point average computation.
- B. A student must complete at least **five** credits of the following Environmental Law related courses:

		# of Credits	Semester Completed	Grade
1.	International Environmental Law			
2.	Environmental and Developmental Land Use Law			
3.	Water Law			
4.	Toxic Substances Law			
5.	College of Law externship placement dealing directly with Environmental Law, subject to the advanced joint approval of the Director of the Externship Program and the Faculty Coordinator, for a maximum of three credits			
6.	Advanced Topics/Seminar in Environmental Law, subject to the advanced approval of the paper topic/project by the Faculty Coordinator, provided that an Advanced Topics/Seminar applied towards satisfaction of the Environmental Law related course requirement may not be applied towards satisfaction of the Research and Writing Component in Environmental Law			
7.	Any other Environmental Law course added to the curriculum on an experimental or permanent basis, if approved by the Dean for inclusion as a Related Course (list below)			

- C. A student must complete **all** of the following Environmental Law core courses:

		Semester Completed	Grade
1.	Environmental Law and Policy		

2.	Natural Resources Law		
3.	Administrative Law		

D. A student must complete **one** of the following Research and Writing Components:

		Semester Completed	Grade
1.	Advanced Topics/Seminar in Environmental Law, subject to the advanced approval of the paper topic/project by the Faculty Coordinator, provided that an Advanced Topics/Seminar applied towards satisfaction of the Research and Writing Component in Environmental Law may not be applied towards satisfaction of the Environmental Law related course requirement		
2.	Independent Research (with paper) in Environmental Law, subject to the advanced approval of the paper topic/project by the Faculty Coordinator		
3.	Service on Law Review, including the submission of a final draft Note or Article on Environmental Law for publication, if the Faculty Coordinator accepts the final draft of the Note or Article as sufficient in length and quality to be counted as completion of a Certificate Research and Writing Component		
4.	Participation in Moot Court competition in Environmental Law, if the Faculty Coordinator determines that the amount and quality of student's participation has been sufficient to be counted as completion of a Certificate Research and Writing Component
