May Graduation Candidate,

Congratulations on your upcoming graduation. As Student Bar Association President, I wish you good luck and good fortune in all your future endeavors.

Each year the graduating class chooses the recipient of the ***Outstanding Professor Award***. This is done simply by voting for the professor of your choice on the attached response form. You may also include any comments as to why you believe that professor is deserving of the award.

In addition, the graduating class donates a class gift to the law school on behalf of their class. The traditional procedure is to use the \$10 graduation gown deposit, which is returned to SBA, to purchase a gift in the class's name. If you have a suggestion for a meaningful class gift that would benefit the entire College of Law, please list it on the attached response form. If you would rather not contribute to the class gift, please contact the SBA Treasurer to arrange for your deposit to be returned after graduation.

Please return the attached response form to an SBA Representative or the envelope marked "2009 Graduation Forms" posted on the bulletin board outside of the SBA Office by Monday, April 13th, 2009.

Best of luck with finishing up your final semester and best of luck in the future!
